

# PRESS RELEASE

## International co-operations for Tripinview

***Just 2 months after the official presentation of [www.tripinview.com](http://www.tripinview.com), World's 1st Visual Travel Website announced its first strategic co-operations in Italy and the agreements with 22 municipalities of the insular and coastal Greece, which use it for their promotion.***

15 June, 2016 – ASSONAT (National Association of Marinas and Harbors in Italy), Region of Sicily, the Hotel Associations of Capri and Ischia and 22 municipalities of the insular and coastal Greece have chosen Tripinview for their promotion viewing to travelers around the world.

The co-operation with ASSONAT (Associazione Nazionale Approdi e Porti Turistici) has been launched with a Home Page banner of Tripinview (see [www.assonat.com](http://www.assonat.com)) and the presentation of marinas in a special section of Tripinview, [www.tripinview.com/en/assonat](http://www.tripinview.com/en/assonat). According to the agreement Tripinview is endorsed by ASSONAT while Geotag Aeroview is a Technical Partner of the Association. It is noticed that «*With 1 click, visitors-travelers-sailors see video and photos of the Italian tourist ports and the entire coastline of Italy, while at the same time they can see all technical information they need in order to choose the marina that it is more convenient for them. Thanks to a new technology, developed by Tripinview the visual content interacts in real time with a map and all information about the location or the marina. Users can register for free, create their profile and constantly update their data*».

A similar cooperation has been agreed with the Hotel Associations of Capri and Ischia (Local Federalberghi of Capri and Ischia). At the same time, the Tripinview team in Italy discuss the cooperation with the Hotel Association of Italy (Federalberghi of Italy), which represents 27,000 hotels.

At the Local Government level, Tripinview has been endorsed by the Region of Sicily, which hosts banners with direct links in its official site ([www.visitsicily.info](http://www.visitsicily.info)) in order to present the entire coastline. Tripinview is the basic promotion tool of coastal destinations such as Ragusa ([www.visitsicily.info/en/10cosea/ragusa/](http://www.visitsicily.info/en/10cosea/ragusa/)), Messina ([www.visitsicily.info/en/10cosea/messina/](http://www.visitsicily.info/en/10cosea/messina/)), Palermo ([www.visitsicily.info/en/10cosea/palermo/](http://www.visitsicily.info/en/10cosea/palermo/)), Agrigento ([www.visitsicily.info/en/10cosea/agrigento/](http://www.visitsicily.info/en/10cosea/agrigento/)), Aeolian islands ([www.visitsicily.info/en/10cosea/the-aeolian-islands/](http://www.visitsicily.info/en/10cosea/the-aeolian-islands/)) etc. Within the same framework will be the upcoming co-operations with other regions, such as Sardinia, Emilia Romagna, Lazio, Calabria, Tuscany etc.

At the same direction, 22 municipalities of insular and coastal Greece host a Tripinview banner on their websites and use [www.tripinview.com](http://www.tripinview.com) in order to promote their seaside destinations. The municipalities are: Alonissos, Andros, Antiparos, Heraklion, Kavala, Kalymnos, Kassos, Kastellorizo, Kythnos, Limnos, Leros, Naxos, Paxoi, Parga, Paros, Poros, Samothrace, Spetses, Symi, Syros, Hydra, Halki.
